3. **Exclusive permitted use of confidential information:** Contractor may use Confidential Information only to carry out its obligations under the Contract, and may not use it for any other purpose.
4. **Dissemination of information:** Contractor will further disseminate Confidential Information only to its employees, agents, and/or subcontractors, all of whom shall be bound to signed disclosure restrictions no less protective than those provided in this Agreement. Each Contractor employee, contracted personnel, or subcontractor's employee who will have access to the State's information will be required to sign this Confidentiality Agreement before providing any Services. All such disclosure restrictions shall identify the State as an intended beneficiary of the non-disclosure provisions of the agreement.
5. **Duration of duty:** Contractor shall be bound to its non-disclosure obligations in perpetuity.
6. **Duty of care:** Contractor will protect all Confidential Information using a high degree of care. This standard exceeds the duty of "ordinary care." It requires the Contractor to exercise the highest degree of care consistent with performance of its duties under the Contract.

arbitrator or administrative agency to disclose any Confidential Information, Contractor will promptly notify the State of such legal compulsion, and will delay disclosure, if and to the extent permitted or practicable, until the State has had a reasonable opportunity to seek a protective order or other appropriate remedy. If the State does not seek or receive a protective order or other remedy, Contractor will disclose only that Confidential Information of the State which its counsel advises is legally required to be disclosed. Contractor's counsel shall consult with the State in determining what disclosures are required.

Therefore, the State shall be entitled to seek an injunction from a court of competent jurisdiction for the purpose of ending or preventing any existing or anticipated breach of this Confidentiality Agreement, in addition to its other remedies at law.

Indemnification: In the event of a breach of this Confidentiality Agreement by Contractor, Contractor shall indemnify, defend and hold harmless the State of Wisconsin and any of its officers, employees, or agents from any claims arising from the acts or omissions of the Contractor, and its Subcontractors, employees and agents including, but not limited to, disallowances or penalties from federal oversight agencies, and any court costs, expenses, and reasonable attorney fees, incurred by the State in the enforcement of this Section and, with respect to Personally Identifiable Information, the costs of monitoring the credit of all persons whose Personally Identifiable Information was disclosed.

Equitable Relief: The Contractor acknowledges and agrees that the unauthorized use, disclosure, or loss of Confidential Information may cause immediate and irreparable injury to the individuals whose information is disclosed and to the State, which injury will not be compensable by money damages and for which there is not an adequate remedy available at law. Accordingly, the parties specifically agree that the State, on its own behalf or on behalf of the affected individuals, may seek injunctive or other equitable relief to prevent or curtail any such breach, threatened or actual, without posting security and without prejudice to such other rights as may be available under this Contract or under applicable law.

13. **Modification only in writing:** All additions or modifications to this Confidentiality Agreement must be in writing and signed by an authorized representative of each party.
14. **No waiver by forbearance:** No failure or delay in exercising any right under this Confidentiality Agreement will operate as a waiver of any term or condition hereunder.
