STANDARD TERMS AND CONDITIONS

- 1.0 SPECIFICATIONS:** The specifications in this request are the minimum acceptable. When specific manufacturer and model numbers are used, they are to establish a design, type of construction, quality, functional capability and/or performance level desired, unless otherwise specified. When alternates are bid/proposed, they must be identified by manufacturer, stock number, and such other information necessary to establish an acceptable equivalency. The County shall be the sole and final judge of equivalency.
- 2.0 HOW TO AMEND A REQUEST FOR BID, PROPOSAL OR QUOTE:**
- 2.1** Public Works Projects are subject to Wis Stats 66.0901(5): If a person submits a bid or proposal for the performance of public work under any public contract to be let by a municipality and the bidder claims that a mistake, omission or error has been made in preparing the bid, the bidder shall, before the bids are opened, make known the fact that an error, omission or mistake has been made. If the bidder makes this fact known, the bid shall be returned to the bidder unopened and the bidder may not bid upon the public contract unless it is re-advertised and relet upon the re-advertisement. If a bidder makes an error, omission or mistake and discovers it after the bids are opened, the bidder shall immediately and without delay give written notice and make known the fact of the mistake, omission or error which has been committed and submit to the municipality clear and satisfactory evidence of the mistake, omission or error and that it was not caused by any careless act or omission on the bidder's part in the exercise of ordinary care in examining the plans or specifications and in conforming with the provisions of this section. If the discovery and notice of a mistake, omission or error causes a forfeiture, the bidder may not recover the moneys or certified check forfeited as liquidated damages unless it is proven before a court of competent jurisdiction in an action brought for the recovery of the amount forfeited, that in making the mistake, error or omission the bidder was free from carelessness, negligence or inexcusable neglect.
- 2.2** Non-Public Work Projects: After a Request for Bid/Proposal/Quote has been filed with the Portage County Purchasing Department, the responder may submit an amended response BEFORE THE DUE DATE AND TIME set in the request. All the conditions and provisions of the original Bid/Proposal/Quote will be in effect. No submittals or amendments will be accepted after the due date and time of the request. This does not preclude the County from requesting additional information and/or clarification.
- 3.0 DEVIATIONS AND EXCEPTIONS:** Deviations and exceptions from original text, terms, conditions, or specifications shall be described fully, on the bidder's/proposer's letterhead, signed, and attached to the request. In the absence of such statement, the bid/proposal shall be accepted as in strict compliance with all terms, conditions, and specifications and the bidders/proposers shall be held liable.
- 4.0 QUALITY:** Unless otherwise indicated in the request, all material shall be new, newest model year, and free from defects. Items which are used, demonstrators, obsolete, seconds, or which have been discontinued are unacceptable without prior written approval by the County.
- 5.0 QUANTITIES:** The quantities shown on this request are based on estimated needs. The County reserves the right to increase or decrease quantities to meet actual needs.

- 7.1** Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea.) as stated on the request or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price; the unit price shall govern in the bid/proposal evaluation.
- 7.2** Prices established in continuing agreements and term contracts may be lowered due to general market conditions.

- 8.0 RESPONSES TO REMAIN OPEN:** Responses must remain open and will be deemed to be open and subject to acceptance until awarding of the bid/proposal is finalized, or a minimum of sixty (60) days unless otherwise specified.
- 9.0 ACCEPTANCE-REJECTION:** The County reserves the right to accept or reject any or all bids/proposals, to waive any technicality in any bid/proposal submitted, request clarification of any bid/proposal, award a bid/proposal that is not the lowest price, and to accept any part of a bid/proposal as deemed to be in the best interests of the County.
- 10.0 GUARANTEED DELIVERY:** Failure of the Contractor to adhere to delivery schedules as specified or to promptly replace rejected materials shall render the Contractor liable for all costs in excess of the contract price when alternate procurement is necessary. Excess costs shall include the administrative costs and other costs attributable to the delay.
- 11.0 CONTRACT AND EXECUTION OF CONTRACT:** Unless otherwise specified in the bid/proposal, the successful responder agrees to enter into a contract, a copy of which will be on file in the office of the Portage County Purchasing Department. Contractor shall and will well and truly execute and perform this contract under the terms applicable to the satisfaction of the County, and shall promptly make payment to each and every person or party entitled thereto of all the claims for work or labor performed and materials furnished in the performance of this contract.
