Bidders are hereby notified that all information submitted in response to this RFB may be made available for public inspection according to the Public Records Law of the State of Wisconsin or other applicable public record laws. Bidders shall seal separately and clearly identify all information they deem to be "trade secrets," as defined in the State of Wisconsin Statutes. Do not duplicate or co-mingle information, deemed confidential and sealed, elsewhere in your response.

##### S. 19.36(5)

(5) TRADE SECRETS. An authority may withhold access to any record or portion of a record containing information qualifying as a trade secret as defined in s. 134.90(1)(c).

##### s. 134.90(1)(c)

(c) "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.

2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

The City cannot ensure that information will not be subject to release if a request is made under applicable public records laws. The City cannot consider the following confidential: a bid in its entirety, price information, or the entire contents of any resulting contract. The City will not provide advance notice to Bidders prior to release of any requested record.

To the extent permitted by such laws, it is the intention of the City to withhold the contents of Bids from public view—until such times as competitive or bargaining reasons no longer require non-disclosure, in the City's opinion. At that time, all Bids will be available for review in accordance with such laws.

The City reserves the right to request usage reports at any time and request additional information, if required, when reviewing contract activity.

This is known as "cooperative" or "piggyback" purchasing, a practice common amongst units of government. The City is not responsible for any contract resulting from a cooperative purchase using this RFB as a basis; they are made solely between the bidders and third party unit of government.

#### 1.24 Bidders Responsibility

Bidders shall examine this RFB and shall exercise their judgment as to the nature and scope of the work required. No plea of ignorance concerning conditions or difficulties that exist or may hereafter arise in the execution of the work under the resulting contract, as a consequence of failure to make necessary examinations and investigations, shall be accepted as an excuse for any failure or omission on the part of the Bidders to fulfill the requirements of the resulting contract.

## 2 DESCRIPTION OF SERVICES/COMMODITIES

### 2.1 Background and Scope

The Public Service Commission (PSC) Office of the Commissioner of Railroads has requirements in place for Joint Inspection Reports between the railroad and a traffic light maintainer (City of Madison). These requirements are as follows:

- At least once every 12 months, and whenever the warning time system is modified, the railroad and traffic light maintainer shall jointly verify that the traffic lights and crossing lights are properly sequenced and that enough time is provided for traffic to clear from the nearby intersection before a train enters the crossing.
- Starting in 2023 Joint Inspection Forms shall be filed by the railroad with the Office using the Joint Inspection portal. Reports for previous years may be submitted to [ocr@wisconsin.gov](mailto:ocr@wisconsin.gov) so that they can be retained.
- The joint inspection shall follow the WisDOT Traffic Engineering, Operations & Safety Manual, § 4-2-34, and be documented on the WisDOT Railroad Preemption Inspection Form, a copy of which shall be filed with the Office within 15 days of the inspection by the railroad using the Office online portal.

The City of Madison is requesting bids from qualified consultants to prepare a comprehensive document package that will include providing onsite expert representation during the joint inspections.

The joint inspections require a thorough understanding of how the railroad preemption is expected to operate. To achieve this, there are multiple important phases to the analysis and final documentation. It is expected that the consultant will perform all phases of the analysis, including all coordination with stakeholders.

### 2.2 Phase 1: Documents Research

It is important that there is a thorough understanding of how the railroad preemption is expected to operate. To determine this, it is anticipated the consultant will need, at a minimum, the following documents:

- Information on the original design of the preemption system. If this is not available, then it will need to be created by completing WisDOT's guide for determining time requirements for traffic signal preemption at highway-rail grade crossings.
- Railroad circuit drawing (request from appropriate RR). If not available, obtain the timing parameters from the circuit drawing (provided by RR).
- Existing traffic signal controller settings so that you can use those to either design or confirm the operation of the system.
- Traffic Signal cabinet drawing
- Traffic Signal Plan (including sequence of operations)
- Traffic Signal Controller program
- Time Requirements for traffic signal preemption at highway-rail grade crossings
- Timeline of preemption operation
- Event log data (when available) from the railroad
- US DOT Crossing Inventory Form

### 2.3 Phase 2: Review Event Log Data From Railroad

Most bungalows with preemption have an event logger. After requesting and obtaining this documentation from the railroad, these logs will need to be reviewed and analyzed prior to the annual onsite inspection. The event logs should provide information in regards to changes that may need to be implemented at the time of inspection. The data logs should provide information such as APT and total time which must be reviewed relative to the preemption operation at the subject crossing.

### 2.4 Phase 3: Field Testing

The consultant will need to coordinate with the City of Madison and the appropriate railroad to coordinate a time for field testing, and be present during all testing. During the field testing, the stakeholders will simulate a train, and document the results. The annual inspection form details the information that is expected to be confirmed in the field during the testing. Multiple test runs may be required for issues that are discovered and addressed in the field. Issues that cannot be addressed must be documented on the form and receive post annual inspection attention.

### 2.5 Final Product Package

A final product package shall be provided in hard copy and electronically to the City of Madison for each location. This package shall include the completed inspection form to be submitted by the railroad to OCR and a full package of all documents secured during the document research phase.

Joint inspections will need to be prepared for the following fifteen (15) locations:

1. Buckeye & S Stoughton Service Rd
2. Campus Dr & Highland Ave
3. Campus Dr & Randall Ave
4. International & Packers Ave
5. John Nolen Dr & Broom St
6. John Nolen Dr & Lakeside St
7. John Nolen Dr & North Shore Dr
8. John Nolen Dr & Olin Ave
9. Johnson St & First St
10. Old Middleton & Whitney Way
11. University Ave & Babcock Dr
12. Dayton St & Mills St
13. First & E Washington
14. Johnson St & Fordem Ave
15. John Nolen Dr & Blair St & Williamson St & Wilson St

Consultant bid shall include the cost to prepare everything listed in the above scope of work at all fifteen (15) locations.

### 2.6 Term

The intent is that this work will only be for one (1) year.

## CITY OF MADISON

1. **General.** Throughout this document, "City of Madison," "City" and "Purchasing" shall be synonymous and mean the City of Madison. The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer" and "contractor." The phrases "request for proposal," "invitation for bids," "request," "invitation," and "solicitation" shall also be synonymous.  
As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.
  2. **Entire Agreement, Order of Precedence.** These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall constitute the entire agreement and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.  
If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals, the version of the vendor's bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.  
**Order of Precedence:** If there is a conflict between this Section A and any terms in the vendor's accepted bid or proposal, this Section A shall control unless the parties expressly agree to another order of precedence, in writing. If there is a conflict between this Section A and a Separate Contract, the terms and conditions of the Separate Contract shall control.
- I. TERMS FOR SUBMISSION OF BIDS: The following section applies to the bid/selection process only.**
3. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.  
The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).  
The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.
  4. **Addenda.** Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.
  5. **Price Proposal.** All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.
  6. **Price Inclusion.** The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.
  7. **Pricing and Discount.**
    - a. Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.
    - b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.
  8. **F.O.B. Destination Freight Prepaid.** Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may disqualify your bid.
  9. **Award.**
    - a. The City will have sole discretion as to the methodology used in making the award. Where none is specified, the award will be made to the lowest responsible bidder in compliance with the specifications and requirements of this solicitation.
    - b. The right is reserved to make a separate award of each item, group of items or all items, and to make an award in whole or in part, whichever is deemed in the best interest of the City.
  10. **Responsiveness and Responsibility.** Award will be made to the responsible and responsive bidder whose bid is most advantageous to the City with price and other factors considered. For the purposes of this project, responsiveness is defined as the bidder's conformance to the requirements of the solicitation. Being not responsive includes the failure to furnish information requested.  
Responsibility is defined as the bidder's potential ability to perform successfully under the terms of the proposed contract. Briefly, a responsible bidder has adequate financial resources or the ability to obtain said resources; can comply with required delivery taking into

account other business commitments; has a satisfactory performance record; has a satisfactory record of integrity and business ethics; and has the necessary organization, experience and technical skills.

The City reserves the right to refuse to accept any bid from any person, firm or corporation that is in arrears or is in default to the City, or has failed to perform faithfully any previous contract with the City. If requested, the bidder must present within five (5) working days evidence satisfactory to the City of performance ability and possession of necessary facilities, financial resources, adequate insurance, and any other resources required to determine the bidder's ability to comply with the terms of this solicitation document.

11. Cancellation.

- a. The City reserves the right to cancel this bid, in whole or in part, at any time for any reason. The City may, in its sole discretion and without any reason, cancel or terminate any contract or purchase order awarded as a result of this bid, in whole or in part, without penalty, by providing ten (10) days written notice thereof to the contractor.
- a. In the event the Bidder shall default in any of the covenants, agreements, commitments, or conditions and any such default shall continue unremedied for a period of ten (10) days after written notice to the Bidder, the City may, at its option and in addition to all other rights and remedies which it may have, terminate the Agreement and all rights of the Bidder under the Agreement.
- b. Failure to maintain the required certificates of insurance, permits, licenses and bonds will be cause for contract termination. If the Bidder fails to maintain and keep in force the insurance, if required, the City shall have the right to cancel and terminate the contract without notice.

When alternates are bid/proposed, they must be identified by manufacturer, stock number, and the bidder/proposer is responsible for providing sufficient information to establish equivalency. The City shall be the sole judge of equivalency. Bidders are cautioned to avoid bidding alternates which do not meet specifications, which may result in rejection of their bid/proposal.

13. Regulatory Compliance.

- a. Seller represents and warrants that the goods or services furnished hereunder, including all labels, packages, and container for said goods, comply with all applicable standards, rules and regulations in effect under the requirements of all Federal, State and local laws, rules and regulations as applicable, including the Occupational Safety and Health Act (OSHA), as amended, with respect to design, manufacture or use for their intended purpose of said goods or services.
