## 1.9 Inquiries, Clarifications, and Exceptions

Bidders are to raise any questions they have about the RFB document without delay. Direct all questions, **in writing**, to the Purchasing Department Buyer (see section 1.8).

Bidders finding any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in this RFB document shall immediately notify the Buyer and request clarification. In the event that it is necessary to provide additional clarification or revision to the RFB, the City will post addenda (see section 1.10). Bidders are strongly encouraged to check for addenda regularly.

Bids should be as responsive as possible to the provisions stated herein. A prospective vendor may take “exception” to bid terms, conditions, specifications, and dates stated within the bid package. However, the City of Green Bay reserves the right to disqualify any and all bids submitted which include exceptions, if deemed not in the City’s best interests.

## 1.10 Addenda

In the event that it is necessary to provide additional clarification or revision to the RFB, the City will post addenda to its Bids distribution websites (see section 1.11). It is the Bidders responsibility to regularly monitor the websites for any such postings. Bidders must acknowledge the receipt of any addenda on Form B. Failure to retrieve addenda and include their provisions may result in disqualification.

## 1.11 Bid Distribution Networks

### 1.12 Oral Presentations/Site Visits/Meetings

Bidders may be asked to attend meetings, make oral presentations, inspect City locations or make their facilities available for a site inspection as part of this RFB process. Such presentations, meetings or site visits will be at the Bidders expense.

### 1.13 Acceptance/Rejection of Bids

The City reserves the right to accept or reject any or all Bids submitted, in whole or in part, and to waive any informalities or technicalities, which at the City's discretion is determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any Bidder responding to this request. The City expressly reserves the right to reject any and all Bids responding to this invitation without indicating any reasons for such rejection(s). Any bids submitted without all required forms as indicated shall be rejected.

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.

### 1.14 Withdrawal or Revision of Bids

Bidders may, without prejudice, withdraw Bids submitted prior to the date and time specified for receipt of Bids by requesting such withdrawal before the due time and date of the submission of Bids. After the due date of submission of Bids, no Bids may be withdrawn for a period of 90 days or as otherwise specified or provided by law. Bidders may modify their Bids at any time prior to opening of Bids.

### 1.15 Subcontracting or Third Party Payments

All subcontracting shall be pre-approved upon award by the City before any work begins. Subcontractors must abide by all terms and conditions of the bid. The prime contractor shall be responsible for all subcontractor(s) work and payment.

### 1.16 Non-Restrictive Specifications and Vendor Alternates

Specifications are intended to define the general level of quality and performance of this purchase and not to restrict competition. Vendors may offer one or more alternates with lesser or greater features; however the City reserves the right to make its selection based on the best interest of the City. Vendors offering alternates shall submit, with their quote, an itemized comparison with this specification, documenting equivalence for quality, performance, etc. Failure to identify exceptions or deviations in this manner may be a basis to declare the quote as non-responsive. If in your opinion, any of the specifications, terms, and conditions of this RFQ prevents you from offering a quote, consideration will be given to a Vendor's request for change.

### 1.17 Non-Material and Material Variances

The City reserves the right to waive or permit cure of nonmaterial variances in the offer if, in the judgment of the City, it is in the City's best interest to do so. The determination of materiality is in the sole discretion of the City.

### 1.18 Public Records

Bidders are hereby notified that all information submitted in response to this RFB may be made available for public inspection according to the Public Records Law of the State of Wisconsin or other applicable public record laws. Information qualifying as a "trade secret"—defined in State of Wisconsin Statutes—may be held confidential.

Bidders shall seal separately and clearly identify all information they deem to be "trade secrets," as defined in the State of Wisconsin Statutes. Do not duplicate or co-mingle information, deemed confidential and sealed, elsewhere in your response.

#### S. 19.36(5)

(5) TRADE SECRETS. An authority may withhold access to any record or portion of a record containing information qualifying as a trade secret as defined in s. 134.90(1)(c).

#### s. 134.90(1)(c)

(c) "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.
2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

The City cannot ensure that information will not be subject to release if a request is made under applicable public records laws. The City cannot consider the following confidential: a bid in its entirety, price bid information, or the entire contents of any resulting contract. The City will not provide advance notice to Bidders prior to release of any requested record.

To the extent permitted by such laws, it is the intention of the City to withhold the contents of Bids from public view—until such times as competitive or bargaining reasons no longer require non-disclosure, in the City's opinion. At that time, all Bids will be available for review in accordance with such laws.

### 1.19 Contract Quantities

The estimated annual quantities identified for each item on the Bid Offer Form are for bid purposes only and are based on historical data. The City does not guarantee to purchase any specific quantity or dollar amount. Bids that state the City must guarantee a specific quantity or dollar amount may be disqualified.

### 1.20 Partial Award

Unless otherwise noted, it will be assumed that Bidders will accept an order for all or part of the items/services priced.

### 1.21 Tax Exempt

The City of Green Bay as a municipality is exempt from payment of federal excise taxes and State of Wisconsin taxes per Wisconsin statute 77.54(9a). Federal Tax ID #39-6005458. A completed Wisconsin Department of Revenue Form S-211 (R.2-00) can be requested through the Purchasing Department. Our tax-exempt number is 008-0000428893-07.

### 1.22 Cooperative Purchasing

Bidders may choose to extend prices offered on bids to other municipalities. Under Wisconsin Statutes, a municipality is defined as a county; city; village; town; school district; board of school directors; sewer district; drainage district; vocational, technical, and adult education district; or any other public or quasi-public corporation, officer, board or other body having the authority to award public contracts. This is known as “cooperative” or “piggyback” purchasing, a practice common amongst units of government. The City is not responsible for any contract resulting from a cooperative purchase using this RFB as a basis; they are made solely between the bidders and third-party unit of government.

### 1.23 Appeals Process

Notices of intent to protest and protests must be made in writing. Protestors should make their protests as specific as possible and should identify Wisconsin Statutes or City of Green Bay ordinance provisions that are alleged to have been violated.

The written notice of protest must be filed with the Procurement Manager, Green Bay, WI, 100 North Jefferson St. Room 101, Green Bay, WI 54301, and received no later than 72 business hours after the intent to award notice is issued.

### 1.24 Bidders Responsibility

Bidders shall examine this RFB and shall exercise their judgment as to the nature and scope of the work required. No plea of ignorance concerning conditions or difficulties that exist or may hereafter arise in the execution of the work under the resulting contract, as a consequence of failure to make necessary examinations and investigations, shall be accepted as an excuse for any failure or omission on the part of the Bidders to fulfill the requirements of the resulting contract.

## Appendix A City of Green Bay Solicitations Standard Terms and Conditions

**General.** Throughout this document, "City of Green Bay," "City" and "Purchasing" shall be synonymous and mean the City of Green Bay. The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer," "vendor," and "contractor." The phrases "request for proposal," "request for bids," "request for quotes," "quote," "request," "invitation," and "solicitation" shall also be synonymous. As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.

**Purchase Order.** A City Purchase Order or other Contract may be issued to the awarded Vendor and shall constitute the entire agreement of the City and Vendor and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City following issuance of the Purchase Order.

If a Purchase Order is not executed, this Request for Bids Standard Terms and Conditions, the City's published Request for Bids, and the version of the Vendor's bid that was accepted by the City, shall constitute a contract and will be the entire agreement.

**Bid Selection.** This Request for Bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this Request for Bids at any time without prior notice. The City reserves the right to accept or reject any or all bids submitted, without indicating any reasons for such rejections(s), in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. The City may require the Vendor to participate in negotiation and to submit such additional price or technical or other revisions to its bids as may result from negotiation. The Vendor shall be responsible for all costs incurred as part of its participation in the pre-award process.

**Addenda.** Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Vendors are required to complete the Vendor Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.

**Price Proposal.** All Vendors are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the Vendor may include product literature and specifications. The price quoted will remain firm throughout each contract period. If price escalation/de-escalation clause is required that will be negotiated into Contract Terms.

**Price Inclusion.** The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications that are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.

**Pricing and Discount.** Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.

**F.O.B. Destination Freight Prepaid.** Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may affect acceptance of submittals.

Award. The City will have sole discretion as to the methodology used in making the award. Where none is specified, the award will be made to the lowest responsible Vendor in compliance with the specifications and requirements of this solicitation. Award will be made to the responsible and responsive Vendor whose bid is most advantageous to the City with price and other factors considered.

Responsiveness is defined as the Vendor's conformance to the requirements of the solicitation. Being not responsive includes the failure to furnish information requested.

Responsibility is defined as the Vendor's potential ability to perform successfully under the terms of the proposed Contract. A responsible Vendor has adequate financial resources or the ability to obtain said resources; can comply with required delivery considering other business commitments; has a satisfactory performance record; has a satisfactory record of integrity and business ethics; and has the necessary organization, experience, and technical skills.

The right is reserved to make a separate award of each item, group of items or all items, and to make an award in whole or in part, whichever is deemed in the best interest of the City.

The City reserves the right to refuse to accept any bid from any person, firm, or corporation that is in arrears or is in default to the City, or has failed to perform faithfully any previous contract with the City. If requested, the Vendor must present within five (5) working days, a Statement of Qualifications (SOQ), consisting of evidence satisfactory to the City of performance ability, possession of necessary facilities, financial resources, adequate insurance, and any other resources required to determine the Vendor's ability to comply with the terms of this solicitation document.

Specifications. All Vendors must be in compliance with all specifications and any drawings provided with this solicitation. Exceptions taken to these specifications must be noted on your bid. When specific manufacturer and model numbers are used, they are to establish a design, type, construction, quality, functional capability and/or performance level desired. When alternates are bid/proposed, they must be identified by manufacturer, stock number, and the Vendor/proposer is responsible for providing sufficient information to establish equivalency. The City shall be the sole judge of equivalency. Vendors are cautioned to avoid bidding alternates that do not meet specifications, which may result in rejection of their bid/proposal.

Warranty. Unless otherwise specifically stated by the Vendor, products shall be warranted against defects by the Vendor for one (1) year from the date of receipt. If Vendor or manufacturer offers warranty that exceeds one year, such warranty shall prevail.

Ownership of Printing Materials. All artwork, camera-ready copy, negative, dies, photos, digital files, and similar materials used to produce a printing job shall become the property of the City. Any furnished materials shall remain the property of the City. Failure to meet this requirement will disqualify your bid.

Nonexclusive. Unless otherwise stated, the City reserves the right to purchase work or materials from multiple vendors.

Item Return Policy. Vendor will be required to accept return of products ordered in error for up to thirty (30) calendar days from date of receipt, with the City paying only the return shipping costs. Indicate in detail on the Vendor Response Sheet, your return policy.

Payment Terms and Invoicing. Invoices presented for payment must be submitted in accordance with instructions contained on the purchase order, including reference to purchase order and submittal to the correct address for processing. Invoice payment processing address will be shown on the purchase order. Send invoices to Bill To address on the purchase order. Do not send invoices to ship to address. Vendor must state its ability to invoice within 60 days after the last day of service or after delivery. Vendors shall include discounts for early payment as a percent reduction of invoice. Invoice discounts shall be determined where applicable, from the date of acceptance of goods and/or the receipt of invoice,

whichever is later. Discounts for early payment terms stated on the bid/proposal must be shown plainly on the invoice; discounts for early payment not shown on the invoice will be taken.

**Tax Exemption.** The City of Green Bay is exempt from the payment of Federal Excise Tax and State Sales Tax. **The City Tax Exempt number is 008-0000428893-07.** Any other sales tax, use tax, imposts, revenues, excise, or other taxes which are now, or which may hereafter be imposed by Congress, the State of Wisconsin, or any other political subdivision thereof and applicable to the sale of material delivered as a result of the Vendor's bid and which, by terms of the tax law, may be passed directly to the City, will be paid by the City.

**Nondiscrimination.** A Vendor must state that it will agree to the following statement: *During the term of this Contract, the Vendor, and the employees, representatives, agents, and/or volunteers thereof, shall not discriminate against any person based on race, color, creed, religion, sex, national origin, age, ancestry, disability, sexual orientation, gender identity, gender non-conformity, gender expression, transgender status, pregnancy, or marital or parental status.*

**Prevailing Wage.** Where applicable under federal law, the Vendor warrants that prevailing wages will be paid to all trades and occupations.

**Contractor Status.** Vendor must identify in writing its status as state or federal contractor, including any previous actions, including but not limited to, debarment as a contractor or listing as an entity excluded from federal procurement and non-procurement contracts.

**Indemnification.** A Vendor must state that it will agree to an indemnification clause that will read: *Contractor hereby agrees to indemnify, defend and hold harmless the City of Green Bay, its elected and appointed officials, officers, employees, agents, representatives and volunteers, and each of them, from and against any and all suits, actions, legal or administrative proceedings, claims, demands, damages, liabilities, interest, attorneys' fees, costs and expenses of whatsoever kind or nature in any manner directly or indirectly caused, occasioned, or contributed to in whole or in part or claimed to be caused, occasioned, or contributed to in whole or in part, by reason of any act, omission, fault, or negligence, whether active or passive, of contractor or of anyone acting under its direction or control or on its behalf, even if liability is also sought to be imposed on City of Green Bay, its elected and appointed officials, officers, employees, agents, representatives and volunteers. The obligation to indemnify, defend and hold harmless the City of Green Bay, its elected and appointed officials, officers, employees, agents, representatives, and volunteers, and each of them, shall be applicable unless liability results from the sole negligence of the City of Green Bay, its elected and appointed officials, officers, employees, agents, representatives, and volunteers."*

*Contractor shall reimburse the City of Green Bay, its elected and appointed officials, officers, employees, agent or authorized representatives or volunteers for all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.*

*This indemnity provision shall survive the termination or expiration of this Agreement.*
