s. 134.90(1)(c)

(c) "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.
2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

The City cannot ensure that information will not be subject to release if a request is made under applicable public records laws. The City cannot consider the following confidential: a bid in its entirety, price information, or the entire contents of any resulting contract. The City will not provide advance notice to Bidders prior to release of any requested record.

To the extent permitted by such laws, it is the intention of the City to withhold the contents of Bids from public view—until such times as competitive or bargaining reasons no longer require non-disclosure, in the City's opinion. At that time, all Bids will be available for review in accordance with such laws.

No plea of ignorance concerning conditions or difficulties that exist or may hereafter arise in the execution of the work under the resulting contract, as a consequence of failure to make necessary examinations and investigations, shall be accepted as an excuse for any failure or omission on the part of the Bidders to fulfill the requirements of the resulting contract.

This contract will be for the calendar year 2025 with options for annual renewal.

2.3 Definitions

As used in this Scope of Services, the following terms shall have the meanings provided below:

1. **Abandoned.** A companion, exotic or livestock animal left for any length of time without apparent provision for its food, water, or other care as is reasonably necessary for the animal’s health. An abandoned animal includes, but is not limited to, an animal owned by a known individual who, because of the owner’s death, disability, incarceration, eviction or other like circumstance, is unable or unwilling to provide appropriate care for the animal. It also includes animals whose owners are unknown.
2. **Companion Animals.** Dogs, cats, rabbits, guinea pigs, hamsters, mice, ferrets, birds, fish, reptiles, amphibians, invertebrates, or any other species of wild or domestic or hybrid animal sold, transferred, or retained for the purpose of being kept as a household pet, except large and small livestock, as defined in paragraphs 3.4 and 3.5 below.
3. **Exotic Animal.** An animal that is not normally domesticated in the United States or that is wild by nature as further defined by *City of Madison General Ordinances* § 23.49.
4. **Large Livestock.** Includes, without limitation, horses, bovines, sheep, goats, pigs, llamas, alpacas, farm-raised deer, and similar types of large-bodied domesticated animals typically raised on a farm, ranch, or similar environment.

7. Stray. A companion, exotic or livestock animal found wandering at large whose owner or custodian is unknown or cannot be ascertained immediately with reasonable effort.
8. Unclaimed. A companion, exotic, or large or small livestock animal that is found abandoned, stray, or has been released from impound whose owner has failed to redeem the animal.
9. Wild Animal. The definition of wild animal is found in the *City of Madison Code of Ordinances* § 23.49 and is incorporated herein by reference.
10. Communally Housed Animal. For purposes of this Agreement, means an animal that is typically maintained communally and includes, without limitation, mice, rats, gerbils, and hamsters. Certain small livestock, in addition to other animals, can be, and historically are, communally housed.
11. Impound. The withholding of an animal from its owner under Wis Stat. § 173.21 on any of the following grounds:
 - a. Mistreatment. The humane or law enforcement officer determines that there are reasonable grounds to believe that the owner has mistreated the animal in violation of Chapter 951 of the Wisconsin Statutes.
 - b. Public Health and Safety. The humane or law enforcement officer determines that there are reasonable grounds to believe that the animal poses a significant threat to public health, safety, or welfare.
 - c. Evidence. The animal may be used as evidence in a pending prosecution.
 - d. Court Order. A court has ordered the animal withheld for any reason.
12. Seizure. The taking of an animal, whose owner is known, into custody by a humane or law enforcement officer pursuant to Wis Stat. § 173.13.
13. Surrender. The voluntary transfer of custody and ownership of an animal, in writing, by the animal's owner, to a humane or law enforcement officer or to the Contractor.

2.4 Description of General Services

Cooperation. The Contractor agrees to use commercially reasonable methods in working with all PHMDC employees and officers in providing the services described in this Agreement. PHMDC agrees to use commercially reasonable methods in working with the Contractor to enable them to provide the services described herein and in paying for such services.

Personnel. The Contractor agrees to secure, at its own expense, all personnel necessary to carry out its obligations under this Agreement. Such personnel shall not be deemed to be employees of PHMDC. The Contractor shall ensure that its personnel are instructed that they do not have any direct contractual relationship with the PHMDC. Except as otherwise provided in this Contract, PHMDC shall have no authority over any aspect of the Contractor's personnel practices and policies and shall not be liable for actions arising from such practices and policies.

24-hour Drop Off Availability. The Contractor will provide, or assure the availability of, an appropriate facility that will provide admitting and animal care services 24 hours a day, 7 days a week for the animals dropped off by humane and law enforcement officers operating within the geographical boundaries of Dane County. If there is a separate facility identified for afterhours drop off, the Contractor will transport animals as needed between the facilities.

Services for Abandoned, Stray, and Impounded Animals. The Contractor agrees to provide animal care services (as described below in this paragraph) as well as humane euthanasia and cremation services for companion, livestock and exotic animals that are found stray, abandoned, or seized by humane officers or law enforcement personnel from within the geographical limits of Dane County and that are dropped off or impounded at any Contractor approved facility. Animal care services shall include: (i) admitting services as deemed appropriate by the Contractor; (ii) daily custodial care; (iii) necessary and appropriate veterinary treatment; (iv) redemption services for stray or abandoned animals only; and (v) euthanasia services for animals serviced by the Contractor under this Contract which are subject to euthanasia by court order or for any other reason. In the case of stray or abandoned animals, animal care services purchased under the terms of this Agreement include those provided on the day the animal is admitted to a Contractor approved facility and those animal care services provided for up to three (3) days thereafter, for a total of four (4) days. In the case of impounded animals, animal care services will be provided on the day the animal is admitted to a Contractor approved facility and until the animal is either removed from the facility, the animal is deemed unclaimed or is otherwise surrendered, the animal is returned to the owner, or ownership of the animal is transferred to the Contractor by order of any court of competent

jurisdiction. The humane officer or law enforcement officer dropping any such animal off shall identify the name of the animal's owner, if known, and advise the Contractor of its impound status. Notwithstanding the foregoing, in the event an owner of an abandoned animal seeks to continue to enforce their ownership rights over the animal such that the Contractor is obligated to continue to provide custodial care to the animal beyond the 4-day period identified above (by court order or otherwise), PHMDC shall continue to reimburse the Contractor at the rate set forth for abandoned animals. The Contractor will notify PHMDC if an owner enforces his/her ownership rights by court order.

- Admitting Services. The Contractor shall have the sole and exclusive discretion under this Agreement to provide those admitting services that it deems in its professional judgment are in the best interest of the animal and the shelter environment in which the animal is maintained.
- Custodial Care. Custodial care shall include, for each animal cared for under the terms of this Agreement, the provision of: (i) adequate food and water to maintain the animal's health; (ii) daily health check; and (iii) adequate shelter as required by Wis. Stat § 951.44.
- Necessary and Appropriate Veterinary Care. Necessary and appropriate veterinary care and treatment, beyond that provided every animal upon admission and beyond daily custodial care, shall be provided as determined necessary and appropriate in the sole discretion of the Contractor. For animals receiving veterinary services over \$300 per animal, the Contractor will provide the details of the specific services to PHMDC. The Humane Officer shall be made aware of any veterinary care deemed necessary for impounded animals.
- Redemption Services. Redemption services shall include all reasonable attempts to identify, locate, contact, and provide written notice to an animal's owner to arrange for either the surrender of the animal or the return of the animal to its owner. Said efforts will be made within the holding period specified above. Notwithstanding the foregoing, the parties acknowledge that the owners of some stray and/or abandoned animals are never known or even identified such that the Contractor's ability to find the owner is a legal impossibility. When returning an animal to its owner, the Contractor will assure all conditions of Wis. Stat. § 173.23 (1)(a-d) are met. Notice given by Humane Officers to owners of animals that have been taken to the Contractor's facility shall be considered sufficient notice for these purposes. Disposition of every animal brought to the Contractor stray or abandoned will be reported to PHMDC monthly. Report to include: owner name, address, date of birth, phone number, municipality where animal came from, animal name, species, breed, color, rabies information, date of intake, and date left shelter.
- Euthanasia. The decision to euthanize an animal shall be within the sole and absolute discretion of the Contractor. Notwithstanding this fact, if PHMDC obtains a court order declaring an animal to be dangerous and subject to euthanasia; or if PHMDC makes such a declaration; or if an animal is seized as part of a legal investigation by PHMDC or a law enforcement agency, the Contractor shall euthanize the animal only at PHMDC's request. The Contractor and PHMDC agree to abide by the applicable statutory holding periods before euthanizing any animal governed thereby, including, without limitation, the seven (7) day statutory hold for abandoned animals in paragraph 4.5.

Rabies Control Services

- Quarantine Services. The Contractor agrees to provide animal care, isolation, observation, and rabies testing services for animals as required by Wis. Stat. § 95.1. The Contractor agrees to provide such services on an as needed basis upon request of PHMDC for stray, abandoned, and impounded animals. The parties acknowledge that rabies testing may be accomplished in two ways, namely (a) immediate euthanasia of the animal and brain pathology testing ("Euthanasia Testing"); or (b) 10-day quarantine of the animal with veterinary observation during the incubation period of the rabies virus ("Observation Testing"). The Contractor's obligation to perform Euthanasia Testing shall be in its sole and absolute discretion. If the Contractor refuses to perform Euthanasia Testing and opts instead to perform Observation Testing, PHMDC shall have

the right to retrieve the animal from the Voges Road Facility (or any other Contractor approved facility) and have Euthanasia Testing accomplished through a different vendor. The Contractor shall have no obligation to pick up or otherwise transport animals suspected of carrying the rabies virus to the Voges Road Facility (or any other Contractor approved facility).

- Rabies Test Preparation Services. The Contractor agrees to provide rabies test preparation services for wild and domestic animals as part of a rabies exposure investigation. Services to include humane euthanasia, removal of the animal's head (for animals larger than a squirrel), and exsanguination of the animal's head after removal.
- Owner Reimbursement for Rabies Observation and Testing Services. If the owner of an animal is known, the Contractor agrees to provide PHMDC with all information it has regarding the owner's identity and address so that PHMDC may seek reimbursement from such owner of any expenses incurred in connection with keeping the animal in isolation, the supervision and examination of the animal by a veterinarian, and the preparation of the carcass for laboratory examination. The Contractor itself shall have no obligation to undertake collection efforts from the owner.
- Rabies Vaccination Program. The Contractor agrees to comply with all statutory mandates regarding the vaccination of animals against rabies.
- Support of PHMDC Rabies Control Program. The Contractor agrees to provide veterinary support for the PHMDC Rabies Control Program according to WI Administrative Rule ATCP 13 and Wis. Stat. § 95.21(9) by providing the following services: (i) make final determination on questionable rabies cases; (ii) ascertain the ability of prospective humane officers to reliably observe quarantined animals for signs of rabies; (iii) immediately notify PHMDC of any suspected rabies cases; (iv) consult with PHMDC on request regarding rabies observations; (v) meet with PHMDC humane officers quarterly to refresh and evaluate rabies observation skills; (vi) review annual rabies observation program report prior to submission to the State.

Compliance with State of Wisconsin Obligations. The Contractor warrants that it has complied with all necessary requirements to do business in the State of Wisconsin. The Contractor shall notify the PHMDC immediately, in writing, of any change in its registered agent, its registered agent's address, and the Contractor's legal status.

If such a separate contract is executed it shall constitute the entire agreement and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.
If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals, the version of the vendor's bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.
Order of Precedence: If there is a conflict between this Section A and any terms in the vendor's accepted bid or proposal, this Section A shall control unless the parties expressly agree to another order of precedence, in writing. If there is a conflict between this Section A and a Separate Contract, the terms and conditions of the Separate Contract shall control.
- I. TERMS FOR SUBMISSION OF BIDS: The following section applies to the bid/selection process only.**
3. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.
The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).
The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.
 4. **Addenda.** Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.
 5. **Price Proposal.** All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.
