Due Date: Wednesday, May 3rd, 2023 @ 2:00 PM CST
City Agency: Fire

Method of Delivery Options

Email Quotation to: bids@cityofmadison.com

1 GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS

1.1 Applicable Terms and Conditions

- Products or Equipment. All quotations for supplies and/or equipment must be submitted in accordance with the specifications contained in this solicitation and City of Madison Standard Terms and Conditions.
- Services. All quotations for services must be submitted in accordance with; the specifications contained in this solicitation, City of Madison Standard Terms and Conditions, and Purchase of Services Contract.
- Copies. Copies of above-referenced forms are available from the Purchasing Office or from the following link:
<https://www.cityofmadison.com/finance/purchasing/vendor-resources>

1.2 Delivered Prices Only

Prices quoted must include shipping charges, FOB Madison.

1.3 Substitutes

If offering a substitute item, include manufacturer, number, model, specifications and product literature. The City will evaluate substitutes and make the final determination of equivalency.

1.4 Partial Order

Unless otherwise noted, it will be assumed that bidder will accept an order for all or part of the items priced.

1.5 Award

The City will award the bid to the responsive and responsible bidder whose bid is most advantageous to the City. In determining the most advantageous bid, the City will consider criteria such as, but not limited to, cost, quality/workmanship, compatibility, standardization, major and minor exceptions to our specifications, superior design features, warranty, delivery, past experience, installation, equality, discount, customer satisfaction, bidder's past performance and/or service reputation, and service capability. The City may opt to establish alternate selection criteria to protect its best interest or meet performance or operational standards. After the due date, no quotes may be withdrawn for a period of 90 days or as otherwise specified or provided by law.

5 SPECIFICATIONS

Hose manufactured to this specification shall be of superior quality and workmanship. The hose shall withstand the rough usage of front line fire fighting. Hose specified, shall meet NFPA 1961 standards. For North American customers, due to lack of verification of adherence to NFPA 1961 standards, import hose shall not be accepted. Hose furnished under these specifications will have a potential service life and warranty of 10 years, barring mistreatment that would render it unfit for service. Upon delivery the hose shall be free from defects in workmanship and materials.

Double jacket hose manufactured to this specification shall be tightly woven with filament polyester yarn in the filler, and ring spun polyester yarn in the warp of both the inside and outside jackets. The hose shall be resistant to most chemicals and petrol products, and resist deterioration due to exposure to UV-rays and ozone. It shall not be affected by rot or mildew. Double jacket hose may be woven with a double tracer stripe for ease in identification and twist. The inside and outside jackets shall be manufactured with a minimum pick count of 11 picks per inch for increased strength and abrasion resistance. The inside jacket shall be manufactured using a reverse twill process to reduce friction loss. The inside jacket shall be manufactured on a circular loom in a clockwise direction and the outside jacket in a counter-clockwise direction. The hose must be of sufficient body and weight to meet the demands of heavy-duty fire fighting usage.

Standards: Fire hose manufactured to this specification shall meet and exceed all performance requirements of NFPA 1961 and Underwriter's Laboratories standards.

Couplings shall be coupled with Extruded aluminum threaded couplings or forged storz, or equal.

Include Bid options for:

- Nylon vs. blend
- Rubber lined (EPDM), or other
- Standard Abrasion resistance vs. Double dip (abrasion resistance)
- Additional price for colors
- Directional arrow option (if offered)
- 10 year warranty

LDH:

- Abrasion and chemical resistant
- Low maintenance
- 10 year warranty

Bid prices must be valid through December 31, 2023.
