Contacting City staff outside the Purchasing Department regarding this RFB without written consent from the Purchasing Department may result in your bid being rejected.

1.10 Inquiries, Clarifications, and Exceptions

Bidders are to raise any questions they have about the RFB document without delay. Direct all questions, **in writing**, to the Purchasing Department administrator listed in Section 1.9.

Bidders finding any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in this RFB document shall immediately notify the Buyer and request clarification. In the event that

it is necessary to provide additional clarification or revision to the RFB, the City will post addenda – See Section 1.11 below. Bidders are strongly encouraged to check for addenda regularly.

Bidders should be as responsive as possible to the provisions stated herein. A prospective Vendor may take “exception” to bid terms, conditions, specifications, and dates stated within the bid package. However, the City of Green Bay reserves the right to disqualify any and all bids submitted which include exceptions, if deemed not in the City’s best interests.

1.11 Addenda

In the event that it is necessary to provide additional clarification or revision to the RFB, the City will post addenda to its bids distribution websites – See Section 1.12 below. It is the Bidders responsibility to regularly monitor the websites for any such postings. Bidders must acknowledge the receipt of any addenda on Form B. Failure to retrieve addenda and include their provisions may result in disqualification.

1.12 Bid Distribution Networks

The City of Green Bay posts all Request for Bids, addenda, tabulations, awards, and related announcements on two distribution networks – VendorNet and DemandStar. The aforementioned documents are available **exclusively** from these websites. It is the Bidders responsibility to regularly monitor the bid distribution network for any such postings. Bidders failure to retrieve such addenda and incorporate their appropriate provisions in their response may result in disqualification. Both sites offer free registration to City Bidders.

State of Wisconsin VendorNet System: <http://vendornet.state.wi.us/vendornet>

DemandStar: www.demandstar.com

1.13 Oral Presentations/Site Visits/Meetings

Bidders may be asked to attend meetings, make oral presentations, inspect City locations or make their facilities available for a site inspection as part of this RFB process. Such presentations, meetings or site visits will be at the Bidders expense.

1.14 Acceptance/Rejection of Bids

The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities, which at the City's discretion is determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any Bidder responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejection(s).

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.

1.15 Withdrawal of Revision of Bids

Bidders may, without prejudice, withdraw bids submitted prior to the date and time specified for receipt of bids by requesting such withdrawal before the due time and date of the submission of bids. After the due date of submission of bids, no bids may be withdrawn for a period of 90 days or as otherwise specified or provided by law. Bidders may modify their bids at any time prior to opening of bids.

1.16 Subcontracting or Third Party Payments

All subcontracting shall be pre-approved upon award by the City before any work begins. Subcontractors must abide by all terms and conditions of the bid. The prime contractor shall be responsible for all subcontractor(s) work and payment.

1.17 Non-Restrictive Specifications and Vendor Alternates

Specifications are intended to define the general level of quality and performance of this purchase and not to restrict competition. Vendors may offer one or more alternates with lesser or greater features, however the City reserves the right to make its selection based on the best interest of the City. Vendors offering alternates shall submit, with their quote, an itemized comparison with this specification, documenting equivalence for quality, performance, etc. Failure to identify exceptions or deviations in this manner may be a basis to declare the quote as non-responsive. If in your opinion, any of the specifications, terms and conditions of this RFB prevents you from offering a quote, consideration will be given to a Vendor's request for change.

1.18 Non-Material and Material Variances

The City reserves the right to waive or permit cure of nonmaterial variances in the offer if, in the judgment of the City, it is in the City's best interest to do so. The determination of materiality is in the sole discretion of the City.

1.19 Public Records

Bidders are hereby notified that all information submitted in response to this RFB may be made available for public inspection according to the Public Records Law of the State of Wisconsin or other applicable public record laws. Information qualifying as a "trade secret"—defined in State of Wisconsin Statutes—may be held confidential.

Bidders shall seal separately and clearly identify all information they deem to be "trade secrets," as defined in the State of Wisconsin Statutes. Do not duplicate or co-mingle information, deemed confidential and sealed, elsewhere in your response.

S. 19.36(5)

(5) TRADE SECRETS. An authority may withhold access to any record or portion of a record containing information qualifying as a trade secret as defined in s. 134.90(1)(c).

s. 134.90(1)(c)

(c) "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being

generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.

2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

The City cannot ensure that information will not be subject to release if a request is made under applicable public records laws. The City cannot consider the following confidential: a bid in its entirety, price bid information, or the entire contents of any resulting contract. The City will not provide advance notice to Bidders prior to release of any requested record.

To the extent permitted by such laws, it is the intention of the City to withhold the contents of bids from public view—until such times as competitive or bargaining reasons no longer require non-disclosure, in the City’s opinion. At that time, all bids will be available for review in accordance with such laws.

1.20 Contract Quantities

The estimated annual quantities identified within this RFB are for bid purposes only and are based on historical data. The City does not guarantee to purchase any specific quantity or dollar amount. Bids that state the City must guarantee a specific quantity or dollar amount may be disqualified.

1.21 Usage Reports

Annually, the successful Bidders shall furnish to City Purchasing usage reports summarizing the ordering history for each department served during the previous contract year. The report, at a minimum, must include each and every item or service ordered during the period, its total quantities and dollars by item/service and in total. The City reserves the right to request usage reports at any time and request additional information, if required, when reviewing contract activity.

1.22 Partial Award

Unless otherwise noted, it will be assumed that Bidders will accept an order for all or part of the items/services priced.

1.23 Negotiate Contract Terms

The City reserves the right to negotiate the terms of the contract, including the award amount, with the selected Bidder prior to entering into a contract. If contract negotiations cannot be concluded successfully with the highest scoring Bidder, the City may negotiate a contract with the next highest scoring Bidder.

1.24 Cooperative Purchasing

Bidders may choose to extend prices offered on bids to other municipalities. Under Wisconsin Statutes, a municipality is defined as a county; city; village; town; school district; board of school directors; sewer district; drainage district; vocational, technical and adult education district; or any other public or quasi-public corporation, officer, board or other body having the authority to award public contracts. This is known as “cooperative” or “piggyback” purchasing, a practice common amongst units of government. The City is not responsible for any contract resulting from a

cooperative purchase using this RFB as a basis; they are made solely between the Bidders and third-party unit of government.

1.25 Tax Exempt

The City of Green Bay as a municipality is exempt from payment of federal excise taxes and State of Wisconsin taxes per Wisconsin statute 77.54(9a). Federal Tax ID #39-6005458. A completed Wisconsin Department of Revenue Form S-211 (R.2-00) can be requested through the Purchasing Department. Our tax-exempt number is ES 047920.

1.26 Appeals Process

Notices of intent to protest and protests must be made in writing. Protestors should make their protests as specific as possible and should identify Wisconsin Statutes or City of Green Bay ordinance provisions that are alleged to have been violated.

The written notice of protest must be filed with the Procurement Manager, Green Bay, WI, 100 North Jefferson St. Room 101, Green Bay, WI 54301, and received no later than 72 business hours after the Intent To award Notice is issued.

1.27 Bidders Responsibility

Bidders shall examine this RFB and shall exercise their judgment as to the nature and scope of the work required. No plea of ignorance concerning conditions or difficulties that exist or may hereafter arise in the execution of the work under the resulting contract, as a consequence of failure to make necessary examinations and investigations, shall be accepted as an excuse for any failure or omission on the part of the Bidders to fulfill the requirements of the resulting contract.

As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.
2. Entire Agreement, Order of Precedence. These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFB/RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall along with these Standard Terms and Conditions, the City's request for proposals/bids, the version of the vendor's response/bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute the entire agreement ("Contract") and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.

If a separate contract is not executed, these Standard Terms and Conditions, the City's request for proposals/bids, the version of the vendor's response/bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.

3. Bid Selection. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.

The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.
