2 DESCRIPTION OF SERVICES/COMMODITIES

2.1 Background

Two rail plans have been released in the last year including Amtrak's *Connects US* and the US DOT and FRA's *Midwest Regional Rail Plan*. Both of these plans identify the need for passenger rail service in Madison. Amtrak's *Connects US* recommends extending four daily Hiawatha trips to Madison, with three extending on to St. Paul/Minneapolis. The US DOT's/FRA's *Midwest Regional Rail Plan* concluded that Madison was a significant market "critical to operational viability of the Core Express corridor between Chicago and Minneapolis-St. Paul" and that it should be "included on any mainline route alignment." Further, Madison was identified as part of the "Core Express service" – the backbone of the network with highest ridership potential.

The recent Bi-partisan Infrastructure Law includes unprecedented funding for passenger rail expansion. The City of Madison hopes to capitalize in this opportunity by partnering with state and federal agencies as well as Amtrak by identifying a locally preferred passenger rail station that could be used in a future extension of Amtrak's Hiawatha service. It is hoped that the planning product developed from this study could be used in future NEPA documentation. The 2022 Capital Budget has allocated \$120,000 for this effort.

2.2 Task 1 – Madison Station Location

1. The Consultant shall review previous Madison area and related State/Federal passenger rail studies, including:
 - 2000 Conceptual Definition of Alternatives, Madison Access Alternative

 - 2010 Rail Facilities Feasibility Study

 - 2021 Amtrak Connect Us Plan
 - 2021 FRA Midwest Regional Rail Plan
 - 2022 Wisconsin Rail Plan 2050 (pending)
2. The Consultant shall lead (or support) a process that identifies a locally preferred station location and provide rationale for this recommendation. This process will include coordination with applicable agencies including, but not limited to the WisDOT, Amtrak, and the FRA to address the agencies' requirements. The study shall be structured so the product can be used in future NEPA documentation. This includes, at a minimum, an alternatives analysis, evaluation, and public participation process. The study shall building upon previous planning efforts and evaluation alternatives based, at a minimum, following factors:
 - a. Ability to address Amtrak requirements for station platform configuration, location, parking, and other considerations.
 - b. Necessary track modifications – and ability to address host railroad concerns regarding these modifications – within Madison
 - c. Ability to extend Hiawatha service to Minneapolis
 - d. Ability to capture inter-city passengers
 - e. Ability to connect to and transfer between other transportation networks within Madison (transit/BRT, bike, etc.)
 - f. Feasibility of acquiring control or use of the station site
 - g. Ability to complement and/or catalyze development of adjacent land uses
 - h. Impact on adjacent land use and street network

The evaluation shall culminate in a draft report, and final report.

 - d. Providing exhibits and presentations for City of Madison staff to provide updates to the Greater Madison Metropolitan Planning Organization (MPO).

The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer" and "contractor." The phrases "request for proposal," "invitation for bids," "request," "invitation," and "solicitation" shall also be synonymous.
As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.
 2. **Entire Agreement, Order of Precedence.** These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall constitute the entire agreement and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.
If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals, the version of the vendor's bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.
Order of Precedence: If there is a conflict between this Section A and any terms in the vendor's accepted bid or proposal, this Section A shall control unless the parties expressly agree to another order of precedence, in writing. If there is a conflict between this Section A and a Separate Contract, the terms and conditions of the Separate Contract shall control.
- I. TERMS FOR SUBMISSION OF BIDS: The following section applies to the bid/selection process only.**
3. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.
The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).
The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.
 4. **Addenda.** Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.
 5. **Price Proposal.** All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.
 6. **Price Inclusion.** The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.
 7. **Pricing and Discount.**
 - a. Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.
 - b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.
 8. **F.O.B. Destination Freight Prepaid.** Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may disqualify your bid.
 9. **Award.**
 - a. The City will have sole discretion as to the methodology used in making the award. Where none is specified, the award will be made to the lowest responsible bidder in compliance with the specifications and requirements of this solicitation.
 - b. The right is reserved to make a separate award of each item, group of items or all items, and to make an award in whole or in part, whichever is deemed in the best interest of the City.
 10. **Responsiveness and Responsibility.** Award will be made to the responsible and responsive bidder whose bid is most advantageous to the City with price and other factors considered. For the purposes of this project, responsiveness is defined as the bidder's conformance to the requirements of the solicitation. Being not responsive includes the failure to furnish information requested.
Responsibility is defined as the bidder's potential ability to perform successfully under the terms of the proposed contract. Briefly, a responsible bidder has adequate financial resources or the ability to obtain said resources; can comply with required delivery taking into

account other business commitments; has a satisfactory performance record; has a satisfactory record of integrity and business ethics; and has the necessary organization, experience and technical skills.

The City reserves the right to refuse to accept any bid from any person, firm or corporation that is in arrears or is in default to the City, or has failed to perform faithfully any previous contract with the City. If requested, the bidder must present within five (5) working days evidence satisfactory to the City of performance ability and possession of necessary facilities, financial resources, adequate insurance, and any other resources required to determine the bidder's ability to comply with the terms of this solicitation document.

11. Cancellation.

- a. The City reserves the right to cancel any contract in whole or in part without penalty due to non-appropriation of funds.
- b. The second form will be submitted to the Department no later than one year after the date on which the first form was required to be provided.

The Contractor further agrees that, for at least twelve (12) months after the effective date of this Contract, it will notify the Department of each of its job openings at facilities in Dane County for which applicants not already employees of the Contractor are to be considered.
