

2023 City of Sun Prairie Tree Purchase Bid Form

All quantities of trees listed on bid form, either B & B or container, must fall within 1.5" caliper size parameters. If you do not have the species/cultivar or stock type available, just leave the cell BLANK. If a cultivar has been identified on this list it may NOT be substituted with another cultivar, unless approved by the City Forester. The City understands that the quantity available may change slightly at the time of order; please complete for quantity available currently [February 2023]. Identified prices are per tree and identified price must include delivery cost(s). You may supplement this form with your own price list. For any additional species/cultivars you may have, use this form as a guide to provide additional quantities and prices. Also, at the top of the form **you must provide the minimum number of trees the City must order [per season] to achieve the prices identified in this bid form.** Multiple vendors may be chosen.
